

## **SUPERMIX**

Motorized TMR Mixer

- ❏ This motorized TMR mixer-feeder combined with the qualities of a good silage cart (ie excellent mobility, minimum maintenance requirements and low cost to utilize added to important technological innovations which offer the user a mixture of unsurpassed quality and enhanced performance.
- ❏ The SuperMix is a multipurpose machine able to efficiently handle a number of your requirements; thanks to 4 models of different dimensions and capacities, it is perfectly suited to a medium herds as well as larger ones. (varying from 30-40 head to 80-90 head).

The SuperMix TMR motorized mixer is built to order according to the needs of the individual dairy producer. Certain features are offered as options. Features, specifications and dimensions are subject to change without notice.

### **Available options**

A high resistance protective coating to protect the interior of the tub and reduce wear on the inner surfaces due to friction and the corrosive action of silage. Two models of a recognized brand of indicator (balance) are available :

- Digi-Star : EZ-2400 Single reading
- Digi-Star : EZ-3400 Programmable in order to prepare different recipes

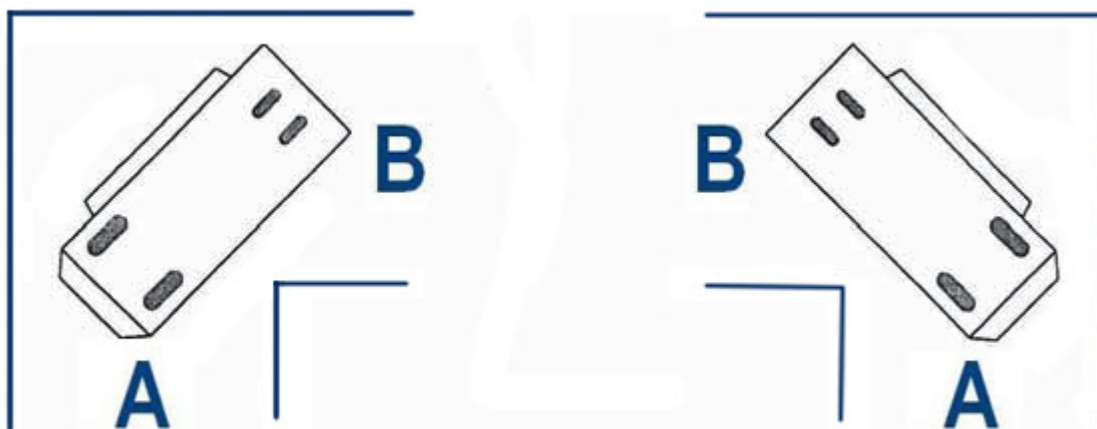

**N.B.**It is important to note that all SuperMix models, regardless of the indicator chosen, use a single load cell.
